

TRAINING AND OUTREACH SERVICES

SUICIDE
PREVENTION
CENTER

Didi Hirsch is a leading provider of mental health, substance use, and suicide prevention services and home to the first and most comprehensive suicide prevention center.

Since 1958, we've been here for people navigating suicidal thoughts, loss, and mental health struggles. Our team has trained over 175,000 individuals, supported thousands of callers and families, and helped shape the way suicide prevention works across the country.

OUR SERVICES INCLUDE:

Suicide Prevention Overviews

Available in-person and virtually for adults and adolescents

Advanced Presentations and CEUs

For medical staff, first responders, or mental health clinicians

Specialized Trainings

For schools, organizations, and corporations

Conferences and Panels

Specialized presentations and speaker's bureau involvement

Outreach Tables

Public and private events with branded educational materials

Online Learning Academy

Asynchronous learning modules with CEUs available
