**INDEPENDENT  
& SHARED  
LIVING  
RESOURCES**

SHARE! Collaborative Housing is a public-private partnership that provides permanent supportive housing in single-family homes across Los Angeles County for individuals. Residents live like college roommates, each paying approximately \$600 to \$950 monthly in fully-furnished homes. The homeowner furnishes the house, pays utilities, and does not require a security deposit or background check. Residents pay rent from their disability checks or other income directly to the homeowner.
